Alternatively, you can consider accommodation in Eindhoven or s'-Hertogenbosch (Den Bosch), which are 20-30 minutes away by train.

How to get there:

If you are travelling to Amsterdam Schiphol airport, please visit the train company's website <http://www.ns.nl/en/travellers/home> for the best options to travel to Tilburg and the ticket prices (enter Schiphol in the "From station" field). The train ride takes around 1 ½ hours with one or two stopovers.

If you are travelling to Eindhoven airport, you will need to take first the bus to Eindhoven train station. The direct trains from Eindhoven to Tilburg run every half an hour and take around 22 minutes.

Tickets (or one-time chip cards) can be purchased from the yellow ticket machines on all stations and you can pay by credit or debit card (on some stations there are also ticket sales desks).

You need to validate your train ticket ("check-in") before you board the train at the OV-chipkaart machines at the station or on the platform. After you leave the train, you need to validate your ticket ("check-out") again.
